

NOTHING

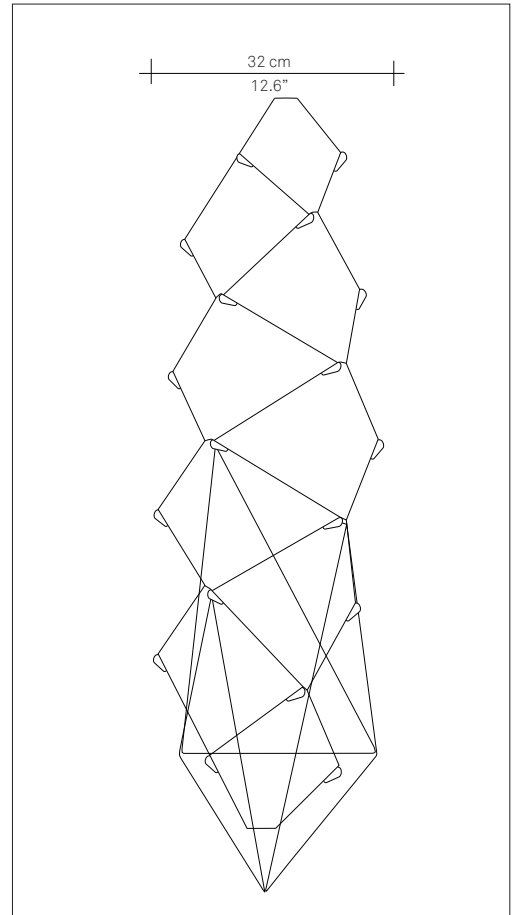

design Francisco Gomez Paz

**LUCE
PLAN**

- Type: Floor
- Lamps: Dimmable lamp - LED 28W 2700 K - total luminous flux 1800 lm*
- Product use: Indoor
- Materials: Aluminium body with flexible printed circuit board and base with steel rods
- Colors: Black
- Description: The formal expression of an innovative use of LEDs. Nothing is a sheet of aluminium bonded with electronic circuits and LEDs: a very thin, flat, laser-cut surface, designed using a complex mathematical process.

Insulation class:   

Reference code: 1D750T000001 black

*The LED lamps cannot be changed in the luminaire
