## Tapered Table

---

If you are looking for an elegant, fine table to lighten up your dining room but don't want to give up the warm appearance of wood, this is the table for you! Around its tapered wooden surface you can entertain your friends in style, enjoy a family dinner or check your e-mail while savoring a drink. Although delicate and light-legged, its structure of solid oak will support any amount of treasures you can possibly think of.

## cleaning instructions

Moooi recommends using a good furniture polish and a soft cloth. Apply generously in layers to the surface and use the cloth to shine. Do not use abrasive fabrics, gently remove tough stains with warm water and a trusted multi-surface cleaner.
